# INDIANA STATE ETHICS COMMISSION

JUN 3 0 2020

In accordance with IC 4-2-6-9, you must file your disclosure with the State Ethics Commission (7) days after the conduct that gives rise to the conflict. You must also include a copy of the notification provided to your agency appointing authority and ethics officer when filing this disclosure. This disclosure will be posted on the Inspector General's website. Name (last) Name (first) Name (middle) Mohr Goldsmith Max Name of office or agency Job title Office of Management and Budget Legal Extern Address of office (number and street) City ZIP code 200 W. Washington St. Indianapolis 46204 Office telephone number Office e-mail address (required) (765)513-4731 mmohr@gov.in.gov Describe the conflict of interest: I intend to work part-time for the Indiana State Medical Association (ISMA) this summer in a paid position as a legal intern. In this position, I would primarily conduct research on ISMA resolutions from 2010 that will sunset this year if the organization does not take action. In addition to this main project, I would do smaller research projects for the ISMA's legal team. As the ISMA is private physician organization that, among other activities, seeks to shape policy and law on both a state and federal level, taking tis paid position would create a potential conflict of interest. OMB is regularly involved in policy and financial decisions affecting state programs in which the ISMA and its members have an interest,

Potential Conflict of Interest Notice

IG Disclosure - MM.pdf; Screen Letter - MM.pdf

Hello,

Last summer I worked for the Indiana State Medical Association (ISMA) as a legal intern. I conducted legal research for experience and was not paid. This year the ISMA has offered to pay me to work part-time doing legal research. The primary focus of my ISMA work this summer would involve analysis of a large set of ISMA resolutions that are due to expire in 2020. I would like to accept this part-time position in addition to my part-time position with the State of Indiana. As a law student, I see that the opportunity to gain further legal experience is crucial. I am aware that this situation creates the potential for a conflict of interest, and thus I am required to inform you of this potential conflict. Attached is a copy of the IG disclosure form that I have completed along with a letter which details the proposed screen which would be set up if I am permitted to accept the ISMA position.

Sincerely, Max Mohr
